

# **DR. EDWARD AND MARIA HARGUS SCHOLARSHIP**

**Dr. Edward and Maria Hargus established this endowed scholarship to support students who are demonstrating persistence with their studies often under challenging circumstances.**

**Dr. Hargus retired from medical practice after many years of devoted service at both Backus and L+M Hospitals. As an undergraduate at Harvard, Dr. Hargus received scholarship support and truly understands the impact a scholarship can have on a student's ability to persist and succeed.**

**Edward and Maria are wonderful examples of investing in one's community.**
