HAZEL FLOREANNA BANNING MEMORIAL SCHOLARSHIP

The Hazel Floreanna Banning Memorial Scholarship was established by her mother, Jessica Lunt, in loving memory of her daughter, Hazel, who graduated from Three Rivers Community College in 2024 and had planned to pursue a career in social work.

This scholarship is awarded to a student who demonstrates dedication, perseverance, and a genuine commitment to achieving their educational goals. Recognizing the financial challenges students face while pursuing higher education, particularly during the early stages of adulthood, this scholarship helps support educational expenses, including winter and summer courses, and encourages students to continue working toward their academic and career aspirations.
